EXHIBITOR TERMS AND CONDITIONS

A signature on the registration form is required for participation in Earth Fair. Please retain this document for your records.

◆ St. Clair County Earth Fair (Earth Fair) is a 501c3 non-profit organization committed to environmental education in St. Clair County. The purpose of this event is inspirational and educational and staged in conjunction with Earth Day and its mission.

◆ The Vendor shall remain on the premises for the entire duration of the two-day event. Failure to do so may result in removal of an exhibit from the event at his/her expense. The Vendor shall not dismantle or otherwise interfere with the orderly conduct and display of the exhibits until Earth Fair is officially closed to the public each day.

◆ Each Vendor is required to keep at least one attendant in his booth during all event hours. Volunteer assistance can be provided at a booth if requested by Vendor.

◆ Merchandise, signs, decorations or display fixtures shall not be nailed to walls. No components shall be displayed outside exhibit space or beyond limits of exhibit space as to interfere with any neighboring exhibit.

◆ A Vendor shall not assign to a third party its right to the exhibit space or any portion thereof without the prior consent of Earth Fair. The Vendor shall assume full responsibility for the conduct of the assignee and all its representatives, and the Vendor shall not charge its assignee more than a proportionate share of the exhibit fee based upon the amount of exhibit space assigned.

◆ Earth Fair is a Low Waste event, meaning we minimize the volume of trash we send to the landfill at the end of the 2-day event. Vendors must consider their impact to the environment when planning activities for their booth, i.e. volume of waste. Please consider low-waste products and activities that can be recycled or composted. Free support is provided to assist in minimizing waste at booths.

◆ Earth Fair reserves the right to make changes in space assignments that it deems are in the overall best interest of the event. Booth space will be assigned on the basis of the order in which the Registration Form and payment are received. Such assignment is made for the period of this event only and does not imply that the same or similar space be held or offered for future events.

◆ Earth Fair reserves the right to withdraw its acceptance of the registration form if it determines that the Vendor's product or service does not meet the event's mission. In addition, Earth Fair may refuse to consider for participation in future events a Vendor who violates or fails to abide by all such Terms & Conditions.

◆ Earth Fair is a smoke-free, tobacco-free event. This applies to Vendors and Visitors. No use of tobacco products is permitted on the premises at any time.

◆ Styrofoam products are strictly prohibited at Earth Fair. For alternatives on recyclable and decomposable products, please visit www.michigangreesafeproducts.com.

◆ Photographs will be taken during the event to be used in marketing materials, websites, social media, and publications.

◆ If a Vendor cancels its participation in the event, such cancellation shall be considered a default on its part, and any monies paid hereunder shall be retained by Earth Fair.
