Earth Fair 2009 Website Announced Brand new website highlights fun at annual event

Goodells, MI – The 7th annual St. Clair County Earth Fair will be held at Goodells County Park on Friday, April 17th from 10:00 a.m. – 6:00 p.m. and on Saturday, April 18th from 9:00 a.m. – 2:00 p.m. Admission is free.

The St. Clair County Environmental Education Network, hosts of Earth Fair, is proud to unveil their brand new website at www.EarthDayFair.com.

The website highlights everything visitors can expect to find at Earth Fair, including demonstration, exhibits, displays and hands-on activities on healthy, earth-friendly alternatives in food, energy, transportation, clothing, home, garden, and more.

Sheri Faust, chair of the event, said “We are so excited about our brand new website. It’s a comprehensive place to find out everything you need to know about visiting, participating in and getting to the fair. The only thing the website won’t do is give you the sounds, tastes and smells of Earth Fair, so make you come see it for yourself!”

For the complete list of Earth Fair exhibitors, see www.EarthDayFair.com.

The St. Clair County Environmental Education Network was developed in May 2002 and consists of county and local agencies and nonprofit groups committed to environmental education in St. Clair County.
