More Earth Fair Vendors Added Annual celebration is growing larger

Goodells, MI – The 7th annual St. Clair County Earth Fair will be held at Goodells County Park on Friday, April 17th from 10:00 a.m. – 6:00 p.m. and on Saturday, April 18th from 9:00 a.m. – 2:00 p.m. Admission and parking are free.

This year will be the largest Earth Fair event ever held in St. Clair County. Many more activities have been added last minute to the Earth Fair lineup, including a saw mill demonstration, garden décor made from ash trees, a botanical ceramic business, lapidary artisans demonstrating stone work, and much more.

Earth Fair is important for highlighting local experts that provide natural, organic, and earth-friendly information, samples, products and services to help us live healthier lives. Sheri Faust, Chair of Earth Fair said, “So many people want to support local businesses. Learning about locally produced products is not only good for the environment and our health, but it’s also great for supporting our local economy.”

For the complete list of Earth Fair activities, see www.EarthDayFair.com.

For more information, contact Sheri Faust at the St. Clair County Health Department at (810) 987-5306.

The St. Clair County Environmental Education Network was developed in May 2002 and consists of county and local agencies and nonprofit groups committed to environmental education in St. Clair County.
