Earth Fair Registration Opens Up

Goodells, MI – The St. Clair County Earth Fair Committee is now accepting registrations for school field trips, exhibitors and volunteers to attend the 2012 Earth Fair.

The 10th annual Earth Fair will be held at Goodells County Park on Friday, April 27 from 9:00 a.m. – 5:00 p.m. and on Saturday, April 28 from 10:00 a.m. – 4:00 p.m. Admission is free. Earth Fair is held in conjunction with the St. Clair Conservation District's annual spring tree sale.

Teachers with 3rd – 6th grade classes are invited to sign up for a free field trip to Earth Fair. Earth Fair is a tool teachers can use to augment science lessons taught in the classroom and enables students to interact with 'field experts' in a hands-on learning environment.

Any non-profit, business, agency, individual, or youth club with a product, message or service that addresses the environment is also encouraged to become an exhibitor by completing a registration form. Exhibitor registration closes February 24.

The Earth Fair committee is also searching for businesses, student clubs and individuals who are interested in signing up to be an Earth Fair volunteer. Volunteers work in 2-hour shifts on the day and time of their choice and receive a free Earth Fair t-shirt.

Those interested in attending as an exhibitor, as a school field, or becoming a sponsor should contact Sheri Faust at the St. Clair County Health Department at (810) 987-5306 or earthfair@stclaircounty.org or visit the website at www.EarthDayFair.com.
