Earth Fair set for April 16 and 17

Annual celebration is growing larger

Goodells, MI – The 8th annual St. Clair County Earth Fair will be held at Goodells County Park on Friday, April 16th from 9:00 a.m. – 5:00 p.m. and on Saturday, April 17th from 10:00 a.m. – 4:00 p.m. Admission and parking are free.

Earth Fair offers families the opportunity to connect with over sixty local businesses and organizations offering earth-friendly alternatives in food, energy, transportation, clothing, home, garden, and more. This year will be the largest Earth Fair event ever held in St. Clair County.

The local food, farming and gardening vendors will also be side-by-side with hands-on activities and demonstrations from renewable energy projects, crafts for kids, alternative energy vehicles, healthy home and personal products, live music and animals.

Earth Fair is important for highlighting local experts that provide natural products and services to help us live healthier lives. Sheri Faust, Earth Fair chair stated, “Learning about locally produced products is not only good for the environment and our health, but it’s also great for supporting our local economy.”

For the complete list of Earth Fair activities and schedule of live performances visit www.EarthDayFair.com.

For more information, contact Sheri Faust at the St. Clair County Health Department at (810) 987-5306.

The St. Clair County Environmental Education Network was developed in May 2002 and consists of county and local agencies and nonprofit groups committed to environmental education in St. Clair County.
